Subject.....Renewal of WAMH contracts for Sprin 1986.....

Unless one of you has an objection I propose to renew the contracts drawn up last fall betweteen the Music Library and the three students: Julia Hernandex, Jabu Maphalala, and Lisa Smith, so that each of them will again during the spring semester be able to use Music Library recordings for their WAMH programs. I am not aware of any problems arising in connection with these arrangements during the fall and see no reason not to let them carry on as previously arranged. (The only slight difference will be in connection with Lisa Smith's allowed borrowing and returning times since the hours of her program have changed. She will be permitted to borrow on Saturdays between 4:30 and 5:00 pm, returning albums on Sunday by 2:30pm.)

Please let me know if you see any reason for us not to renew these contracts. Unless I so hear let us all assume that they are renewed.

Subject: Use of Music Library Recordings by WAMH

In line with similar contracts drawn up for other WAMH programs this is to confirm the fact that an exception will be made to our loan policy governing recordings (that recordings are not circulated except for activities directly related to the teaching function of the College faculty) so that Music Library record albums may be borrowed for airing on your record program to be broadcast by WAMH.

This special arrangement will be subject to the following provisos:

1. That the arrangement will be carried out on a trial basis during the Fall 1985 semester (for the program entitled "African Music" airing 6:00-8:30pm Saturdays and will then be reviewed by the Library, the Music Department, and station WAMH before being renewed for any subsequent semester, but that it will also be subject to cancellation at any time during the present semester should the Library or Department find that teaching or library obligations are being adversely affected.

2. That Music Library recordings shall be used by you at no more than one radio program of no more than four hours duration during any one week.

3. That the selection of music to be played will be made in the Music Library so that only those albums which are to be aired will be borrowed.

4. That the albums may be borrowed on Saturdays no earlier than 4:30pm and are to be returned by 1pm on Sundays.

5. That no albums on Reserve may be used.

6. That the albums are to be borrowed by you in person and are to be signed out using a double charge system:
   a) A special charge slip will be filled out for each album, and,
   b) Each album will also be listed on a special WAMH log sheet.
